But the city is plagued by wolves and mysterious disappearances. The Twite household, where Simon is lodging, seems particularly shifty. Before he even gets a chance to open his glistening new paints Simon stumbles right into the centre of a plot to kill the King. And worse than that Simon is kidnapped and sent to sea! Luckily there are two friendly stowaways aboard - the feisty Dido Twite and the spoiled young Justin. But when the ship catches fire things look pretty dire. Can they escape? Will they save the king in time? BACKSTORY: Test your knowledge of Black Hearts in Battersea and play the name game..
